

SAINT KENTIGERN

SPORTS AWARDS 2017

Welcome to our 2017 Sports Awards Dinner.

Tonight we congratulate and celebrate our students who have achieved success at the highest levels of Secondary School Sport, in quite a number of cases representing New Zealand.

Saint Kentigern is at the forefront of school sport in New Zealand. This has been facilitated by the investment of the Saint Kentigern Trust Board who have made sure our students have world class facilities on which to train and play and the coaches required to help them succeed. Both students and staff are grateful for this investment that allows for a wide range of sporting choices.

Our students have worn the blue and white of Saint Kentigern with pride. They have learnt essential life lessons on the importance of teamwork and what it means to work hard for the success of their team. They have been inspired to strive for excellence and we hope they will continue to have big dreams.

Thank you to each student, parent, coach and manager here tonight for your commitment and efforts to make 2017 the best year yet for Saint Kentigern sport.

SAINT KENTIGERN

WELCOME TO SAINT KENTIGERN COLLEGE SPORTS AWARDS 2017

Dear Sportsmen, Sportswomen, Parents, Coaches, Managers, and special guests of Saint Kentigern.

Welcome to our Sports Awards for 2017.

Tonight we recognise sporting excellence. We will acknowledge over 200 students, male and female, who have been inspired and encouraged to achieve as college champions, Auckland champions and National champions. Inspiration, talent, commitment to training, quality coaching and an overwhelming desire to succeed underpin the Saint Kentigern Sports Programme.

We acknowledge the infrastructure that is required to support these champions and our thanks must go to the Trust Board for their support. We thank the Head of Saint Kentigern, and our Middle College and Senior College Principals for their unwavering support and the many hours they spend supporting each and every sports person, and each and every team.

Tonight is an opportunity to show our appreciation for the efforts of our teachers. We are incredibly fortunate that the teachers and outside coaches also share in our pursuit of excellence and give their time and expertise. Please take time to thank these people because if it were not for their willingness and dedication, we would not be able to deliver the sports programme we do.

As the success of our sports programme increases, so too does the demand on our team of sport managers. Miss Lynne Scutt, Miss Rebecca Jeans, Miss Rebecca Clarke and Mrs Karen Smith make up this strong team. Together, they do all the work behind the scenes which is not always recognised. The success of the sports programme and indeed the success of tonight's celebration is a direct result of their efforts. Their goal is to ensure that every student's sporting experience is a positive one.

In 2017, the sports programme here at Saint Kentigern College has further enhanced the reputation that whatever we do, we will do well. Whatever we do, we will set the highest of expectation and we will achieve.

Yours in Sport

Martin Piaggi
Director of Sport

Team of the Year

THE SPORTING YEAR IN REVIEW

Somewhere behind the athlete you have become. Behind the hours of practice and the coaches who have pushed you. There is the little person who fell in love with the game. Always look for and always play for that person.

2017 has been an outstanding year for Saint Kentigern College sport. In most codes and in most age groups, Saint Kentigern has been at the forefront of all Auckland competitions and where the opportunity has been presented, teams and individuals have also performed well at National and International level.

The summer season highlights included the girls' Touch team winning the newly formed premier competition for touch and then qualifying for the Nationals which will be played in December. The boys' 1st XI Cricket team had an unbeaten record going into the final of the Hal Marryatt Cup at Eden Park. Unfortunately the result didn't go our way and the opportunity to attend the National Gillett Cup competition in December was lost. This was extremely disappointing as the boys were capable of going one better than last year and winning that tournament.

Saint Kentigern College was once again the only college in New Zealand with enough depth to enter three teams into the National Tennis competition. We were represented by a boys' team, a girls' team and a mixed team. All three teams placed 3rd which was an exceptional result. Showing good depth in the programme, the senior boys' team, the junior boys' team and the junior girls' team all won their Auckland competitions.

Along with the three tennis teams, other teams to record a top 3 placing at National level were the Springbok IV Rowing crew winning bronze at the Nationals at Karapiro. It is 11 years since we have had a podium finish at this event so this was a significant result. The Junior Girls' Cycling team and the boy's Golf team both placed 3rd nationally. The 1st XV Rugby team won the Auckland 1A competition and then the Blues playoff match earning them the right to represent the Blues region at the Top 4 rugby nationals in Palmerston North. After losing the first game to the eventual winners, Hasting Boys High School, Saint Kentigern placed 3rd when they beat Southland Boys.

Going one better and recording top 2 placings at national level, we had the boys' Badminton team, and the girls' Netball team. The girl's Netball team dominated the netball scene here in Auckland and were favourites to retain their National title. They dropped the first game of the tournament which meant that to reach the final they had to beat all of the top sides including Mt Albert Grammar, Manukura and St Mary's from Wellington. They achieved this and met Howick College in the final. Although up after the first three quarters, Howick came over the top in the final quarter to take the National title for their first time. Not the result our girls were looking for but an amazing season none the less.

The boys Badminton team battled all year in the Auckland competition and attended the Nationals ranked 4th. Their never say die attitude saw some mammoth games going late into the evening as they dispatched Auckland Grammar who were ranked 2nd. Eventually they drew with Hamilton Boys but won enough games to secure 2nd place overall.

National champions in 2017 include the Year 7/8 girls' Cycling team, the boys' Duathlon team, the girl's Duathlon team, the mixed Triathlon team and the all-conquering girls' 1st XI Football team.

The girl's Football team were particularly impressive in not losing a game all season. This included the round robin series, the Auckland Knock Out competition and the National tournament. They won the final of the National competition in a penalty shootout after the scores were locked up at 2-all after normal time, 3-all after the first half of extra time and 4-all at the end of extra time. The penalty shootout was won and the girls made history in winning the national title for the first time.

We also had an impressive list of Auckland champion teams. The 1st XV Rugby team came back from a 19 to 6 deficit at half time to take out the Auckland 1A title with a 25 -19 victory. This represented their 6th final in 7 years and the 5th title in 7 years. The girls 1st XI Football team finally broke the tradition of 'being bridesmaids' and won the Auckland title and the Auckland Knock Out competition. As promised by Mr Patrick Low, their coach, the Table Tennis team were dominant in securing the Auckland title. Nathan Xu our Year 9 number 1 player completed the entire season unbeaten. Since the season finished, he has now earned the opportunity to qualify for the next Olympic Games. The boy's Tennis team also secured their 5th title in a row. The boys' 1st VIII

Rowing team won the Head of Harbour for the first time in 13 years and the boy's Golf team won their Auckland competition for the 5th time in 6 years. The Premier Netball team were dominant in winning their competition beating Mt Albert Grammar in an exciting final in front of a packed stadium and repeated this at Upper North Islands. The Senior Boys' Cycling team also won their Auckland Team Time Trial series.

When the opportunity presented itself to take out North Island titles, the Rowing Springbok IV, the Boys' Water Polo team, the Senior Boys' Cycling team, and the Senior Girls' Cycling Team all recorded top 3 finishes.

In all, Saint Kentigern College won 15 Auckland age group titles including some at Premier 2 level. Girls' Basketball and the U17 Boys' Basketball were impressive victories. We were in the top 3 in far more Auckland age grade competitions than we were not.

Saint Kentigern once again sent a strong contingent of Year 7 and Year 8 sports people to the AIMS Games in Tauranga. Attending one of the biggest sporting events in the Southern Hemisphere, with over 10,000 athletes representing over 300 schools, this was a non-stop week of action with medals coming from swimming, golf and tennis. Whilst they didn't medal, special mention should be made of the combined College/Girls' School netball team who placed 5th out of a whopping field of 122 teams!

In 2017, we recognise 42 students who have represented their country, competing in an International event in their chosen sport. We recognise 25 students who receive Sports Colours for being ranked in the top 3 individually in their sport for U18 or making an U18 or older age group national team. We nominated 42 students for the College Sport YSPOTY awards and we would hope that more than half of these nominations will reach the finals. We celebrate our third world champion in the past three years. Daniel Whitburn won the World U19 Age Group Standard Distance Triathlon in Holland.

Victoria Kolose has signed a professional contract as a training partner with the Mystics for 2018. A number of students will take up a sporting scholarship in the USA. We also have boys who have signed with provincial rugby sides; Mitch Gibson with Canterbury and the Crusaders, Kershaw Sykes-Martin with Tasman and the Crusaders, Etonia Waqa with Bay of Plenty and Etene Nanai with the All Black 7's. Kayleb Milne has signed with the Melbourne Storm and Dakohta Taimani with the Warriors.

Five of our boy's Football players attended the U17 World Cup in India. Jordan Spain, Charles Spragg, Kieran Richards, Jacob Clark and Max Mata all took part in warm up games or the actual tournament. Charles Spragg scored goals against England and Mali and has the impressive statistic of scoring 8 goals from 8 internationals played. Before he has even finished his Year 12 here at the College, Max Mata has been invited to train with the Phoenix 1st team as cover for injured players. Hannah Blake and Amy Waters both played football for the women's U20 and U17 teams respectively, and Brooke Wylie made the New Zealand Secondary Schools side. Josh Oxenham has once again competed as a mountain biker on the International stage and is looking forward to a successful season next year.

In 2017, former student, Blair Tuke played a major role in Emirates Team New Zealand, securing the America's Cup. Current student, Crystal Sun carries on this legacy earning a place in the NZL Yachting Trust Youth Team. She will compete in the 2017 Youth Sailing World Championship.

Sport continues to offer pathways for boys and girls and not just with playing. Sport also remains a vehicle to learn so many life lessons. In 2018, we aim to continue inspiring students enough that they pursue their sporting interests and learn and grow, readying them for life beyond Saint Kentigern College. Philosophically we want all sports people to be mindful to do it for the 'love of the game.'

Somewhere behind the athlete you have become. Behind the hours of practice and the coaches who have pushed you. There is the little person who fell in love with the game. Always look for and always play for that person.

DUX LUDORUM

2017 SENIOR SPORTSPERSON OF THE YEAR

The Howells Trophy for the Dux Ludorum is the major sporting award of the year. It is awarded to the most outstanding sportsperson, girl or boy. Often the winner will have represented the College in several sports, and possibly have achieved provincial or national honours during their time here. The Bruce Palmer Memorial Cup is awarded to the male runner-up to the Dux Ludorum Award. There is also a cup for the female runner-up to the Dux Ludorum.
