Introducing the New School Uniform

As we progress towards our exciting new future with the opening of our brand-new girls' school in early 2022, I am delighted that the girls will also have a brand-new uniform to enjoy.

At Saint Kentigern we take enormous pride in our appearance and we are really thrilled about the introduction of the new items, that will blend seamlessly with our existing favourite, classic pieces. Our aim has been to offer the girls the ultimate in comfort, style, and practicality, working with Old Collegian fashion designer Natalie Procter to help us bring our vision to life.

The star of the show is still of course, the Saint Kentigern blazer, which is recognised as a timeless symbol of our identity, and we have taken the opportunity to align the Senior Girls' uniform with the College Middle School, reflecting our One Organisation approach.

I am really looking forward to 2022 to see the girls proudly wearing the new uniform at our wonderful new school.

Frequently Asked Questions

1. Why has there been a change in uniform items?

We take immense pride in ourselves, our school and our appearance. With the move to the new Shore Road Campus, we thought it perfect timing to update our uniform. We identified the need to reduce the number of uniform items we have, and at the same time, design items that have a more consistent 'look and feel' in keeping with the Saint Kentigern One Organisation philosophy.

The new Pale Blue Short Sleeve Blouse gives the girls a smarter look, especially during Term 1 when it is too hot to wear blazers.

2. How do I know what my daughter will wear now?

Yes - the new items will be available for online purchase from 18 October 2021.

4. When will the new items be available to purchase?

Students will be able to start wearing the new uniform at the start of Term 1, 2022. The uniform will be available to try on and purchase from 18 October 2021 for new and existing students.

5. Can students wear the old uniform if they prefer?

Yes, there is a one year phase in period.
All students 'new to school' in Term 1, 2022 must be in the new uniform. There will be a one year phase out period, where existing students can continue to wear the old uniform or the new one. All students must be in the new uniform by Term 1, 2023.

6 What is the cost of the new uniform?

Because we have reduced the number of overall items, the new uniform is more cost efficient for our families. Your daughter will only need a White Long Sleeve Formal Blouse and Pale Blue Short Sleeve Blouse for both summer and winter.

7. What new uniform items can be continued through to Saint Kentigern College?

The Year 7 and 8 Formal Uniform is the same as the Middle School Uniform at the College (Year 7-10) and can be continued through. The Tartan Skirt is used both as a Formal Skirt and Winter Skirt for the Middle School at the College.

8. Will students continue to wear berets and straw hats?

Students in Years 0-6 will continue to wear berets in winter and straw hats in summer when travelling to and from School. Students in Years 7 and 8 are not required to wear these.

9. What happens to the old uniform we don't need anymore?

We donate obsolete uniform to Kiwanis NZ, who are a global organisation of volunteers dedicated to improving the world, one child and one community at a time. Our clothing has been well received in local schools in Vanuatu for many years.
