

A group of boys in green and white uniforms are cheering with their hands raised. The boy in the foreground on the left is wearing a green and white visor and a green towel draped over his shoulders. He has his mouth open in a shout. Other boys in the background are also cheering, some wearing blue caps. The scene is outdoors, likely at a sports event.

# Without Comparison.

Realising **his** potential.

SAINT KENTIGERN  
BOYS' SCHOOL

# Welcome.

I believe boys thrive when their education is tailored for and delivered, in a boys' only environment. At Saint Kentigern Boys' School we specialise in preparing boys to excel in the next stage of their education journey.

It's not only our focus on excellence in academic, sporting and cultural programmes that ensures the best preparation, it's also our commitment to our Christian family values and our truly held belief that all our graduates can go on to realise the Saint Kentigern Vision 'to serve and lead with distinction'. This is a part of the Saint Kentigern legacy.

Research shows that in a boys' only primary school environment, he can really have time to explore who he is. We emphasise the unique nature of each and every boy and your son will be encouraged to strive for excellence in all his endeavours, developing a balance of confidence and humility as cornerstones of his character, forming a rock solid foundation for his life.

Our exceptional teachers will truly make a difference in your

son's education. We recognise that boys, in particular, require a structured learning environment. Our curriculum engages them at every level in purposeful learning goals; capturing their interest in authentic ways to give learning tasks real meaning. A strong foundation of literacy and numeracy is at the core of this curriculum together with essential engagement in the digital environment.

We want our boys, to become global citizens and future leaders of their communities, fully prepared and confident, with the necessary resilience, to meet the challenges that they will face in a rapidly changing world.

In 2022 the Saint Kentigern Trust Board will open world class Senior Boys' Classrooms and Specialist Facilities on our Shore Road Campus. The development will build on Saint Kentigern's proud 70 year educational legacy and is designed to enhance the very best in future focussed primary teaching and learning.

Thank you for taking the time to visit Saint Kentigern Boys' School.

We look forward to welcoming you, your son and your family to our amazing school that provides a world of opportunity and simply is 'without comparison'.

Peter Cassie  
Boys' School Principal

**With Greater Reason.**

# Opportunities to lead and serve

As seniors in the school, there are many leadership and service opportunities for our older boys to strive for.

These include specific roles such as Prefects, School Councillors and Peer Mediators, along with many other opportunities for leadership and service within the day-to-day running of the school.

**Realising his potential.**

# Enjoying Lessons.

## A focus on academic excellence

We deliver innovative, expansive learning opportunities that inspire, challenge and prepare our boys for the future and enable all boys to explore and reach their potential.

Realising **his** potential.

# Seasoned Performers.

## Opportunities in Music, Drama, and the Arts

Music, drama and visual arts play a large part in school life.

We encourage all boys to get involved and offer extension for those with the skills and passion for music, the arts and performance.

Realising **his** potential.

# Sportsperson.

## A focus on sporting opportunity

The School has exceptional sporting facilities and a teaching and coaching staff to match. The Jubilee Sports Centre provides facilities that are unparalleled in most primary schools.

Our specialised sports staff teach essential skills to develop strength, agility and stamina.

We encourage each boy's personal best in a strong and positive team culture, as well as providing competitive engagement through team and individual participation in a wide range of sports.
