Payment of fees

All accounts require payment by Direct Debit (except payment of tuition fees detailed in Option 1 below). Direct Debits (including incidentals) are processed on the 20th of each month (January to December).

1. Full payment in advance by 08 December of the year prior

Payment of tuition fees in full by 08 December of the prior year entitles the payee to a 1.5% discount on the net tuition fee (i.e. after any other discounts). The closing date is **strictly adhered to**.

2. Full payment by 20 January

Payment of tuition fees in full by 20 January entitles the payee to a 0.9% discount on the net tuition fee (i.e. after any other discount). The closing date is **strictly adhered to**.

3. Monthly Instalment by Direct Debit

Tuition fees may be spread over 10 months (February to November) payable by Direct Debit on the 20th of each month. Any incidentals will also be direct debited on the 20th of each month (January to December).

Interest may be charged on overdue account balances, currently at a rate of 1% per month.

Payments made by Credit Card will incur a 2% surcharge.

If a student is unable to attend school at the beginning of a term, the fees are nevertheless due. The Board cannot undertake to remit or refund fees, whether in lieu of notice or otherwise, on account of illness, quarantine or any cause whatsoever.

Family discount

A discount of 5% of tuition fees only is given where there are two family members who attend any of the Saint Kentigern Campuses. This discount increases to 10% where three or more family members attend.

Notice of withdrawal from the College

A minimum of one term's notice must be given in writing to the College Principal to withdraw a student (day student or boarder) from the College or full fees for the following term shall be paid in lieu of notice, calculated from the date notice is given. Exit procedures must be followed.

Fee protection scheme

The Trust Board operates a Fee Protection Scheme to cover the fees for a student in the event of the death from natural causes or accident of a fee-paying parent or legal guardian. In such an event the Trust Board will pay the tuition (and boarding) fees where applicable. Entry to the scheme is automatic upon payment of your first fee instalment. **Note:** Some eligibility restrictions apply.

Scholarships and fee assistance

A number of Scholarships are available for fee assistance. They are administered by Trust Services upon the recommendation of the Principal. Scholarships are generally awarded on the basis of academic excellence, expertise or ability in a key area, or for hardship. Scholarships cover a percentage of the College fees for the years the scholarship is awarded.

All Scholarships are reviewed annually. Applicants will be required to sit tests and be assessed in their area of expertise. These tests will be held during Term 1 when the applicant is in Year 8 or as advised. Application forms are available from the Admissions office, phone 09 577 0703.

Children of Ministers of the Presbyterian Church of Aotearoa New Zealand are admitted on special terms. Details may be obtained from the Admissions office.

Unpaid fees

The Saint Kentigern Trust Board has a policy to suspend a student's right to attend the College if fees remain unpaid beyond the due date, unless the Board has approved specific arrangements for an extension of credit. The Board stresses that it is essential that terms for the payment of fees be observed in order to avoid a regrettable interruption to a student's education.

Any fees outstanding may be passed on to a debt collection agency, for which the parent will be responsible for any associated costs incurred.
