Payment of fees

All accounts require payment by Direct Debit (Excepting payment of tuition fees detailed in Option 1 below). Direct Debits (including incidentals) are processed on the 20th of each month (January to December).

1. In advance by 30 November of the year prior

Payment of the fees in full by 30 November of the prior year entitles the payee to a discount on the net tuition fee (i.e. after any other discounts). The closing date is **strictly adhered to**.

2. Annually in full by 21 January

Payment of the fees in full by 21 January entitles the payee to a discount on the net tuition fee (i.e. after any other discounts). The closing date is **strictly adhered to**.

3. Monthly Instalment by Direct Debit

Tuition may be spread over 10 months (February to November) payable by Direct Debit. The monthly amount along with any incidentals will be direct debited on the 20th of each month. (January to December)

Interest may be charged on overdue account balances, currently at a rate of 1.0% per month.

Payments made by Credit Card will incur a 2% surcharge.

If a student is unable to attend school at the beginning of a term, the fees are nevertheless due. The Board cannot undertake to remit or refund fees, whether in lieu of notice or otherwise, on account of illness, quarantine or any cause whatsoever.

Family discount

A discount of 5% off tuition fees only, is given where there are two family members who attend any of the Saint Kentigern Campuses (excluding Saint Kentigern Preschool). This discount increases to 10% where three or more family members attend.

Notice of withdrawal from the School

A minimum of one term's notice must be given in writing to the School Principal to withdraw a student from the School or full fees for the following term shall be paid in lieu of notice, calculated from the date notice is given. Exit procedures must be followed.

Fee protection scheme

The Trust Board operates a Fee Protection Scheme to cover the fees for a student in the event of the death from natural causes or accident of a fee-paying parent or legal guardian. In such an event the Trust Board will pay the tuition fees where applicable. Entry to the scheme is automatic upon payment of your first fee instalment.
Note: Some eligibility restrictions apply.

Scholarships and fee assistance

A number of Scholarships are available for fee assistance. They are administered by the Trust Board upon the recommendation of the Principal. Scholarships are generally awarded on the basis of academic excellence, expertise or ability in a key area, or for hardship. Scholarships cover a percentage of the school fees for two years, beginning in Year 7.

All Scholarships are reviewed annually. Applicants will be required to sit tests and be assessed in their area of expertise. These tests will be held during Term 1 of the applicant's Year 6. Application Forms are available from the Admissions Office, phone 09 520 1400.

Children of Ministers of the Presbyterian Church of Aotearoa New Zealand are admitted on special terms. Details may be obtained from the office.

Unpaid fees

The Saint Kentigern Trust Board has a policy to suspend a student's right to attend the School if fees remain unpaid beyond the due date, unless the Board has approved specific arrangements for an extension of credit. The Board stresses that it is essential that terms for the payment of fees be observed in order to avoid a regrettable interruption to a student's education.

Any fees outstanding may be passed on to a debt collection agency, for which the parent will be responsible for any associated costs incurred.

Students continuing on to Saint Kentigern College

Students at the School are encouraged to continue their education at Saint Kentigern College. A Year 7 or 8 Saint Kentigern Girls' School student is eligible for a Priority Enrolment Transfer to the College with no application fee payable. This applies to students who will be new to the School in Year 7, as well as current students. A special enrolment confirmation fee will apply, which will be offset against College fees. Families wishing to take advantage of this must apply before the Priority Closing Date which is 30 April each year. Students who miss the Priority Closing Date will be considered on the same basis as general applications.
