

SAINT KENTIGERN

SAINT KENTIGERN

SPORTS AWARDS 2018

Welcome to our 2018 Sports Awards Dinner.

Tonight we join together as a community to celebrate and congratulate our students who have achieved success at the highest levels of Secondary School Sport and who, in a number of cases, have represented New Zealand.

Throughout 2018, our students have worn the 'blue and white' of Saint Kentigern with pride. They have learnt essential life lessons about the importance of teamwork and what it means to work hard for the success of their team. A number have had to experience the importance of resilience. They have been inspired to strive for excellence and we hope they will continue to do so in the future.

Saint Kentigern remains at the forefront of college sport in New Zealand. Our world class facilities and coaches give our students every opportunity to succeed at the highest level.

Thank you to each student, parent, coach and manager for your commitment and efforts to make 2018 such a stellar year for Saint Kentigern sport.

SAINT KENTIGERN

WELCOME TO SAINT KENTIGERN COLLEGE SPORTS AWARDS 2018

Dear Sportsmen, Sportswomen, Parents, Coaches, Managers, and special guests of Saint Kentigern.

Welcome to our Sports Awards for 2018. Tonight, we recognise sporting excellence. We will acknowledge over 200 students, male and female, who have been inspired and encouraged to achieve as College champions, Auckland champions and National champions. Over the year, our sports men and women, coaches, managers parents and supporters have worked as one, all focussed on improving performance, and being better every time, they train or compete. These are the things that underpin the Saint Kentigern Sports Programme.

Tonight, we also acknowledge the infrastructure that is required to support these champions. Our thanks must go to the Trust Board for their support. We thank the Head of Saint Kentigern, the Middle College Principal and Senior College Principal for their unwavering support, and the many hours they spend watching and encouraging our athletes.

Tonight is an opportunity to show our appreciation for the efforts of the teachers here at Saint Kentigern. We are incredibly fortunate that the teachers and outside coaches also share in our pursuit of excellence and give their time and expertise. Please take time to thank these people because if it were not for their willingness and dedication, we would not be able to deliver the sports programme we do.

As the success of our sports programme increases, so too does the demand on our sports managers' team. Miss Lynne Scutt, Miss Rebecca Jeans, Miss Rebecca Clarke and Mrs Karen Smith make up this strong team. Together they do all the work behind the scenes, which is not always recognised. The success of the sports programme, and indeed the success of tonight's celebration, is a direct result of their efforts. Their goal is to ensure that every student's sporting experience is a positive one.

In 2018, the sports programme here at Saint Kentigern has further enhanced the reputation that whatever we do, we will do well. Whatever we do, we will set the highest expectation and we will achieve.

Yours in Sport

Martin Piaggi
Director of Sport

PROGRAMME FOR THE EVENING

6.00pm Doors Open

6.30pm Opening Presentation

Welcome and Introduction: Mr Hayden Butler, President
..... Old Collegians' Association

MC for the Evening Mr Martin Piaggi

Proudly Sponsored by THE SAINT KENTIGERN OLD COLLEGIANS ASSOCIATION

THE SPORTING YEAR IN REVIEW

'Winning is fun.... Sure. But winning is not the point. Wanting to win is the point. Not giving up is the point. Never letting up is the point. Never being satisfied with what you've done, that's the point.'

Pat Summit

'Winning doesn't always mean being first. Winning means you're doing better than you've ever done before.'

Bonnie Blair

2018 has been an outstanding year for Saint Kentigern Middle College and Senior College sport. In most codes and in most age groups Saint Kentigern has been at the forefront of all Auckland competitions and where the opportunity has been presented, teams and individuals have also performed well at National and International level.

2018 has been highlighted by the number of 'best-ever performances' and 'break-through' performances.

The summer season highlights included the Girls' Touch team winning the Auckland competition and qualifying for the Nationals in December, and the Girls' Senior 4x 400m relay team winning the Eastern Zone and the greater Auckland Championship. In a best-ever performance, the U20 Boys Track cycling team were crowned National Team Pursuit champions, as well as coming second in the North Island Pursuit and 3rd in the Team sprint. The U16 Boys Duathlon team were Auckland and National champions, as were the U14 Girls. The U14 Boys' team were Auckland champions and runners up at the Nationals. The U16 Mixed Team were Auckland Champions. The Golf team placed 2nd in the New Zealand qualifying event and 4th in the New Zealand Championships. In another best-ever performance, the U18 Double Sculls made College history and were crowned New Zealand champions.

The Boys' and Girls' Tennis teams were both Auckland champions and the Boys' and the Mixed Team were the National champions. In yet another of our best performance ever, the Boys 3x3 Basketball team took out the National title. The U19 and the U16 Mixed Triathlon Tag Teams, both placed 3rd in New Zealand with the U14 Mixed Team going one better to place 2nd. The Premier Boys' Water Polo team placed second in Auckland and 4th in New Zealand while the Junior Boys won the Auckland championship. The 1st XI Boys' Cricket team won the Auckland 20/20 championship and the Year 9/10 Boys' Cricket team attended their National competition in Palmerston North where they placed 4th.

The winter season was also highlighted by best-ever performances. The Premier Boys' Basketball team made the semi-final of the greater Auckland competition, then went on to place 2nd in the Regional championship and 3rd at Nationals. This is a real credit to these boys, their coach and all the hard work that has gone into the programme. This is the best performance from the Premier Boys' Basketball team ever. The U17 Boys basketball team retained their Auckland regional title defeating Rangitoto in the final. The Cycling Senior A Boys' team were runners up in the Auckland Team Time Trial Series, 2nd in the North Islands and 5th at Nationals. The Junior Girls made a clean sweep of winning the Auckland the North Island and the National championships. The Year 8 Girls' Cycling team were 2nd in the North Island Intermediate Schools' Championship, while the Year 8 Boys' Cycling team managed 3rd.

The 1st XI Girls' Football team won the APC Knock Out Cup plus the Auckland Premier Championship. The Boys' 1st XI Football team were unbeaten in the tough eight team Auckland championship. After going through the season unbeaten, they secured the Auckland premier championship with 2 games still to go in the season, winning this prestigious trophy for the first time since 1988. At Nationals the boys placed 3rd. The Boys' U15 Football team won the Auckland championship and the Year 7&8 Girls' team were runners up in the national AIMS tournament, losing in a penalty shootout.

In yet another best-ever performance, the 1st XI Boys' Hockey team created history in not only winning the Auckland title, the Greater Auckland Inter-City title and the iconic National title (the Rankin Cup), they achieved all this with an unbeaten record for the season. Once again, this was the result of five years of hard work from a great team of lads, a hard-working coaching team and the strength and conditioning team.

The Premier Girls' Netball team were runners up in the Auckland competition, finished a creditable, but for them disappointing, 4th at Upper North Islands, but then came back strongly to place 3rd at the Nationals. The Senior A Netball team dominated their competition to win back to back premierships. The 9A team were 2nd in Auckland. The 1st XV went through the round robin competition unbeaten, but disappointingly lost the semi-final to the eventual National champions. Eight of this team did make the New Zealand Secondary Schools' squad with five making the New Zealand Secondary Schools' team. Isiah Punivai captained the team and Rivez Reihana was named vice captain. The 2nd XV drew their final to be joint Auckland title holders and the mighty U15 Restricted weight team lost their final to finish runners up. The Ski Race and Ski Slopestyle Boys team were the Team Auckland champions and the Ski A team were 3rd at the North Island Championships with the Slope Style A team placing 2nd at the North Islands.

In 2018 we have won seven National Team titles. This year, we recognise 36 students who have represented their country, competing at an International event in their chosen sport. We recognise 20 students who receive Sports Colours for being ranked in the top 3 individually in their sport for U18 or making an U18 or older age group National team. We nominated 42 students for the College Sport YSPOTY awards later in November, and we would hope that more than half of these nominations will reach the finals.

Tayla Earle was selected in the New Zealand Secondary Schools' Netball team and has signed a professional contract with the Mystics for 2019. Mahina Paul represented New Zealand at the Youth Olympics, scoring the winning try to secure the Gold medal for the Women's Sevens team. A number of students will take up a sporting scholarship in the USA including Liam Stoica for Tennis and Tommy Liu for Golf. We also have boys who have signed with Provincial Rugby sides - Tamaiti Williams, Isiah Punivai and Monny Ngakuru with Canterbury and the Crusaders, Matt Graham-Williams with Tasman, Rivez Reihana with the Chiefs, Robert Rush with Auckland and Peni Lasaga with Bay of Plenty. Sila Titiuti has signed with the Canberra Raiders.

Alex McRobbie has taken up the offer to play rugby and study in Japan on a 4-year scholarship. He also had several offers to attend university in the US on a rowing scholarship. Harry Church has accepted an offer to row at university in the US.

Hannah Blake once again represented New Zealand in U20 Women's Football, scoring a sensational goal which made the sporting highlights on 'The Crowd Goes Wild.' She will also head to the USA on a sports scholarship. Josh Oxenham has once again competed as a mountain biker on the International stage. He continues to achieve at the highest level in his chosen discipline - the high risk, high reward Down Hill. Nathan Xu continued to dominate the New Zealand and Oceania Table Tennis competition. He won both the U18 and U21 New Zealand titles. As a 14 year old, he also attended the Youth Olympics.

In 2018, former student, Dalton Papali'i played a major role in the Auckland team, making the semi-final of the Mitre 10 Cup and was rewarded by being named in the All Black squad to tour the UK at the end of the year. PariPari Osborne Parkinson was named in the Maori All Black team.

Dylan McCullough, who would have been in Year 13 this year, had he not chased his Triathlon dream, was crowned Youth Olympic Triathlon champion, winning gold in the Individual race as well as securing a second medal, after leading the team to silver in the team event. Crystal Sun won the 29er Yachting Girls World Title in Hong Kong. Lulu Tuilotolava became our first Women's Black Stick Hockey player and represented New Zealand at the 2018 World Cup.

Sport continues to offer pathways for boys and girls and not just with playing. Sport also remains a superb vehicle to learn so many life lessons. In 2019, we aim to continue inspiring students enough that they pursue their sporting interests and learn and grow, readying them for life beyond Saint Kentigern. Philosophically, we want all sports people to channel all their energy to improve their performance and never stop trying to get better. If they do that, winning will take care of itself.

'Winning is fun.... Sure. But winning is not the point. Wanting to win is the point. Not giving up is the point. Never letting up is the point. Never being satisfied with what you've done, that's the point.'

Pat Summit

'Winning doesn't always mean being first. Winning means you're doing better than you've ever done before.'

DUX LUDORUM

2018 SENIOR SPORTSPERSON OF THE YEAR

The Howells Trophy for the Dux Ludorum is the major sporting award of the year. It is awarded to the most outstanding sportsperson, girl or boy. Often the winner will have represented the College in several sports, and possibly have achieved provincial or national honours during their time here. The Bruce Palmer Memorial Cup is awarded to the male runner-up to the Dux Ludorum Award. There is also a cup for the female runner-up to the Dux Ludorum.
